

CAPE TOWN & DURBAN
[announcing our fantastic news]

Joe Soap has been active in Jozi for over 20 years and we have decided, due to the growing needs of our customers, to increase our footprint to our two biggest coastal cities.

Our services to Durban and Cape Town
Initially our offering the coastal branches will include HACCP and chemicals, introducing some of our paper products currently provided by our Johannesburg branch.

Durban’s orders will be placed on our Johannesburg number, with deliveries being made from Durban on a daily basis (dependant on the area). Cape Town clients can place their orders on the Cape Town number.

HACCP implementation using SABS approved chemicals is a top priority in both branches, and we will be offering staff training and store check-ups.

Durban: 011 887 1371
Cape Town: 021 785 7300

Employee of the month
[patrick mbatha]

Patrick came to Jozi from Durban to look for work and has now been at Joe Soap for 18 years, making him one of two longest standing employees.

He is general manager at Joe Soap and is responsible for managing supplies, deliveries, receiving and manufacturing. The best part of his job is engaging with suppliers and negotiating the best prices.

Patrick is a family man, and his two boys are everything to him.

"I used to play soccer, but now spend time with my family and kids. My boys love to play soccer, and we are all Chiefs supporters."

His religious beliefs prevent Patrick from having his picture taken. Rastafarianism is a way of life for Patrick. His love for music as a youth pointed him in this direction and he says since then he has been a follower.
