[Citro Scented Gel]

Citro Scented Gel is a mild duty citrus-scented cleaner and sanitizer in a gel form. Add one scoop to a 10 litre bucket of water. Use a hard bristle broom to scrub affected areas and squeegee excess away. It's great for areas where a smell needs to be eliminated.

Employee of the month
[Dian Meyer]

Young and energetic, Dian joined Joe Soap 15 months ago as their Distribution Manager. With his background as a high jump champion, Dian certainly has what it takes to do the heavy lifting involved in ensuring that Joe Soap's fleet is packed and goes out on time. As part of his fleet management profile he is responsible for tracking the delivery trucks using a web-based GPS tracking system to ensure that deliveries run smoothly and efficiently. He is also responsible for the monitoring of any speed violations.

The twenty-two-year-old firsttime father-to-be is enjoying his work at Joe Soap:

"I'm enjoying the challenge. I have started managing two new employees so am learning a lot about human resource management."
